

New Interchange at Broad Street/ Memorial Boulevard/ Old Fort Parkway

Contractor: Bell & Associates Construction

Project Update

The last quarter of 2016 has come and gone, and the Bridge over Broad project continues to evolve.

The biggest change is the shifting of west bound traffic on SR-96 to the new northwest ramp in early December.

In addition to the traffic shift, Bell & Associates have placed concrete for the footings and columns on Interior Bent #1 of the new bridge which can be seen on the Old Fort Parkway side of the interchange. They also completed the

concrete work items on all ten of the project's retaining walls prior to the end of the year. There is still work remaining on the interior walls.

Highways Inc. has commenced large scale haul and placement operations for the borrow material which will be used to construct the western abutment for the new overpass.

As Highways Inc. continues to place borrow material in lifts, other work items will become available such as storm drainage, the placement of select backfill behind the interior retaining walls, and landscaping.

Bell currently has a crew setting forms for the cap on Interior Bent #1. Other crews will also be widening the left side of SR-1, installing storm drainage on the left side of SR-96 in front of Value Vet, and working on the footings and columns for Interior Bent #2.

Motorists are urged to use caution, reduce speed, and be alert to changing road conditions in the construction zone.

TDOT SmartWay Mobile: A smart way to drive

You can now access up-to-date traffic information on Tennessee interstates and state routes in an easy-to-use format from your desktop or mobile device. Check out the new and improved TDOT SmartWay web application at www.TNSmartWay.com/Traffic.

Key Project Events

- Portions of Broadmor Blvd. will be closed until further notice.
- Traffic on Broad St. will remain reduced from 7 to 5 lanes from West Main St. to Ridgely Rd.
- Work on project ramps and retaining walls will continue.

Announcements

- The TSSAA Girls Basketball Championships will be held from March 8th thru March 11th, 2017.
- The TSSAA Boys Basketball Championships will be held from March 15th thru March 18th, 2017.
- Drivers should also be aware of the increased traffic due to MTSU basketball games.
